

Based on 2005 Regional Timetable, plus earlier Indian Bradshaws, All India TTs & other Regional TTs

f+ stations/halts op./rn. since 2005 (most checked on-line) (date)t: other public TTs

Former names: [] Distances in kms (unless headed Miles); #: Great Indian Railway Atlas 2015 edn, Samit Roychoudhury

WARNING: Spellings of Indian station names are notoriously varied. Station nameboards can vary from spellings in timetables. Some spellings have “officially” changed over the years, and many others are just typesetting errors. Even the 2005 TTs contain many errors. I have attempted to sort these out, checking spellings against on-line station photos and the Great Indian Atlas.

Gauges: Broad Gauge (BG - 5' 6"); Metre Gauge (MG); Narrow Gauge (NG - 2' 0" & 2' 6")

op. opened; cl. closed; rn. renamed; rl. relocated; tm. terminus of service at date shown; pass? passenger service?;

All points served by passenger trains unless shown () or noted.
