

PASSENGER STATIONS & STOPS

North Western Rly (NWR) (160-192)

Based on 2005 Regional Timetable, earlier Indian Bradshaws, All India TTs, Company TTs & current Indiarail info. site (IRinfo) Where no date given, station names as shown in 2005 TT (with spellings corrected if considered to be typesetting errors) f+ lines/stations/halts op./rn. since 2005 (most checked on-line, Indiarailinfo). (date)t/w: other public/working TTs Former names: [] Distances in kms (unless headed Miles); #: Great Indian Railway Atlas 2015 edn, Samit Roychoudhury WARNING: Spellings of Indian station names are notoriously varied. Station nameboards can vary from spellings in timetables. Some spellings have officially changed over the years, but many others are just typesetting errors. The 2005 TTs contain many errors. I have attempted to sort these out, checking spellings against Indiarailinfo photos & the Great Indian Rly Atlas. Even the Indiarailinfo site map contains many errors – check the station nameboard photos (but some of these have errors!) Gauges: Broad Gauge (BG - 5' 6"); Metre Gauge (MG); Narrow Gauge (NG – 2' 0" & 2' 6"); B.H: Block Hut (signal box) at which passengers allowed to board & alight; T.P: Telegraph Pole op. opened; cl. closed; rn. renamed; rl. relocated; tm. terminus of service at date shown; pass? passenger service?; Connections: NCR-North Central Rly; NR-Northern Rly; PKR: Pakistan Rly; WCR-West Central Rly; WR-Western Rly. All points served by passenger trains unless shown (italics) or noted. (nb): spelling on station nameboard (IRinfo photo)
