

**PASSENGER STATIONS & STOPS****South Central Rly (SCR)(1-38); South Western Rly (SWR) (40- 72) & Konkan Rlys (75)**

Based on 2005 Regional Timetable, earlier Indian Bradshaws, All India TTs, Company TTs & current Indiarail info. site (IRinfo) f+ stations/lines op./rn. since 2005 (most checked on-line, Indiarailinfo). (date)t: other public TTs

Former names: [ ] Distances in kms (unless headed Miles); #: Great Indian Railway Atlas 2015 edn, Samit Roychoudhury  
**WARNING:** Spellings of Indian station names are notoriously varied. Station nameboards can vary from spellings in timetables. Some spellings have officially changed over the years, but many others are typesetting errors. The 2005 TTs contain many errors. I have attempted to sort these out, checking spellings against Indiarailinfo station photos and the Great Indian Atlas.

Even the Indiarailinfo site map contains many spelling errors – check the station nameboard photos!

Gauges: Broad Gauge (BG - 5' 6"); Metre Gauge (MG); Narrow Gauge (NG – 2' 0" & 2' 6")

B.H: Block Hut (signal box), passengers allowed to board & alight ; T.P: Telegraph Pole

op. opened; cl. closed; rn. renamed; rl. relocated; tm. terminus of service at date shown; pass? passenger service?;

Connections; CR- Central Railway; ECoR-East Coast Railway; SR-Southern Rly; WCR-West Central Rly

All points served by passenger trains unless shown (italics) or noted. (nb): spelling on station nameboard (IRinfo photo)
