

PASSENGER STATIONS & STOPS

Mumbai-Ahmedabad & branches (70-91), Lines west of Ahmedabad (92-131), Lines north of Ahmedabad (132-142), Lines east of Vadodara Junction (145-153)

Based on 2005 Regional Timetable, earlier Indian Bradshaws, All India TTs, Company TTs & current Indiarail info. site (IRinfo) f+ lines/stations/halts op./rn. since 2005 (most checked on-line, Indiarailinfo). (date)t/w: other public/working TTs

Former names: [] Distances in kms (unless headed Miles); #: Great Indian Railway Atlas 2015 edn, Samit Roychoudhury

WARNING: Spellings of Indian station names are notoriously varied. Station nameboards can vary from spellings in timetables. Some spellings have officially changed over the years, but many others are just typesetting errors. The 2005 TTs contain many errors. I have attempted to sort these out, checking spellings against Indiarailinfo photos & the Great Indian Rly Atlas.

Even the Indiarailinfo site map contains many errors – check the station nameboard photos (but some of these have errors!)

Gauges: Broad Gauge (BG - 5' 6"); Metre Gauge (MG); Narrow Gauge (NG – 2' 0" & 2' 6");

B.H: Block Hut (signal box) at which passengers allowed to board & alight; T.P: Telegraph Pole

op. opened; cl. closed; rn. renamed; rl. relocated; tm. terminus of service at date shown; pass? passenger service?;

Connections: CR-Central Rly; NWR-North Western Rly; WCR: West Central Rly.

All points served by passenger trains unless shown (italics) or noted. (nb): spelling on station nameboard (IRinfo photo)
