c.1919>1920's PTTs included an index of additional flag stops not shown on the TT pages. Comparison with WTTs show the PTTs contain some errors e.g. due to faulty interpretation of mileage datums and lack of updating of table and train numbers. Thus, these lists have been based on WTTs, when inconsistencies are apparent. z: 1895t; a: 1909t; b: 1925t; c: ; w: 1923w w: served by passenger carrying freight trains + located on Arkansas-Texas state line unlocated (StSIMS)(1899Glist pass?): Juniel [Junerville]*
