1. CHICAGO - CAIRO

Line lowered Chicago-51st St.c.1926; elevated south of 51st St to Brookdale (?) by 1893; remainder south to Matteson by 1926; electrified to Matteson 1926, University Park 1990's.

** distances from Central Station*

*** popularly known as Great Central Station, but always Central Depot (1st) in timetables. Long distance platforms closed 1893, services transferred to Central Station and local service platforms renamed Randolph Street.*

*+ also tempy terminus 1871>1872 following Chicago Fire
++ Amtrak trains moved from Central Station to Union Station in 1972, via CNW belt/UP to Bridgeport, reversed and backed to Union Station, later via CNW belt, reversed at Union Avenue crossover and backed into Union Station*
