1. CHICAGO - CAIRO

Line lowered Chicago-51st St.c.1926; elevated south of 51st St to Brookdale (?) by 1893; remainder south to Matteson by 1926; electrified to Matteson 1926, University Park 1990's.

* distances from Central Station

** popularly known as Great Central Station, but always Central Depot (1st) in timetables. Long distance platforms closed 1893, services transferred to Central Station and local service platforms renamed Randolph Street.

+ also tempy terminus 1871>1872 following Chicago Fire

++ Amtrak trains moved from Central Station to Union Station in 1972, via CNW belt/UP to Bridgeport, reversed and backed to Union Station, later via CNW belt, reversed at Union Avenue crossover and backed into Union Station

% train ferries to East Cairo until 1889 and to Birds Point MO for SSW and MP services
