1896 > 1920;

*ex New Orleans & Western; New Orleans Terminal & Belt + history states service moved from Canal St to Terminal Sta (Canal/N.Basin Sts) in 1908. But 1905G states passenger terminus was at Elysian Fields (trains then went via Pontchartrain RR, 130, & LN to Belt Line?). Perhaps service was moved from Canal St sta in 1903 on withdrawal of the Spanish Fort passenger service and moved to Terminal in 1908.*
